

Dr J. H. **Stuck** Veterinary Surgeon

The subject of this sketch is Clay County's only competent veterinary surgeon. He is a graduate of the Great Bend, Kansas Veterinary College and has practiced his chosen profession for a great many years. He has been located in Bible Grove for the past four years and enjoys a good practice. His past experience has proven to the public that he knows the horse perfectly and is competent to handle the most difficult cases. There is no disease peculiar to the domesticated animal that he cannot successfully treat.

He is a close student and keeps abreast of his profession and is conversant with all the modern discoveries.

Dr **Stuck** is a worthy citizen is public spirited and progressive and is well deserving of the eminent success he is achieving.
